

## Ella Room

(2 years – 3 years)

We are a safe home away from home for your toddler. The Ella room is smaller room for children who are new to childcare or more timid and not ready for a larger room. As this is a smaller room the Educators can focus a more one on one education encouraging your child to become more confident in a less intimidating environment.

### What we provide for \$117.00 per day:

We supply nappies, linen, wipes and sunscreen.

We will also assist you and your child with toilet training.

3 nutritious age meals freshly prepared on site.

We also offer Cocorico French lessons to broaden your child's mind and language skills.

### What do I need to bring along:

Water bottle, Hat as we are a no hat no play sun safe centre.

A change of clothes, lots of underwear if toilet training.

A comforter such as special toy, book, or dummy to help your toddler settle either into the day or nap times.

### Orientation

We suggest you bring your toddler to the centre a few times before you start. This enables the Educators to become a familiar face and to bond with your toddler while you are in the room making the child feel safe that you are still with them. The best time is in the morning so they are involved with morning tea and mat time around 9.30am which lets them be a part of the routine.

### Rebate

You will need a Customer Reference Number (CRN) for both you and your baby. Ask Centrelink to link you together as this is not an automatic link and it will save you time. To pay the gap you will need to ask for "Pay to Service" or if you have the rebate come direct to you ask for "other". We suggest you organize this early to ensure a stress-free start.

### Open Hours

7am to 6pm  
52 weeks per year  
Closed Public Holidays

### Storypark

Online network for your child's learning

50% Holiday credit for  
2 weeks a year
